Feedback/Discussion

Any feedback/discussion on items we discussed last week?

Updates from this week

- Commitment forms have been completed.
- [TEA Public Health Guidance](#) was updated on Tuesday, and necessary updates were made to our plan to reflect the changes.
- Dr. Greer, our local health advisor, reviewed our plan and gave suggestions for additions/revisions.
- Head Start Guidelines were shared, and necessary updates will need to be made to our plan.

Commitment Forms

- Good response on these
  - Approximately 90% have chosen on campus learning for the first six weeks.
  - 96% have internet access
  - 97% are able to stream media which means they should be able to access videos
  - 74% who have multiple children in the home and/or parents who work from home can stream media
  - 83% have sufficient technology devices for remote learning
  - 63% who have multiple children in the home would have sufficient technology devices for remote learning for all of them

Discuss HISD's Draft Plan

- Changes and additions in yellow
- Suggestions for formatting, clarity?

PPE Updates

- Received face shields, gloves, and more masks from TEA.

- Received pumps for the hand sanitizer and additional face shields that we had ordered.

- Hand sanitizing stations/stands with foaming sanitizer have been ordered.

Remote Learning Agreements

Discuss the remote learning agreement

Technology Use Agreements

Our technology department is working on technology use agreements for students who will be utilizing them for remote learning.

Plan of Action

- Scenario training

- Screening forms and protocols will be finalized with administrators and teachers trained.

- Staff trained on procedures, protocols, screening information during inservice

- Posters are being selected for campus use with reminders for staff, students, and visitors.

- Survey families about bus transportation
