Henrietta ISD School Health Advisory Council

2019 Annual Written Report

The Henrietta SHAC met on 10/17/2018, 12/05/2018, 1/23/2019 and 3/6/2019. The SHAC reports the following summary of events and reached consensus in their recommendations.

1. The Henrietta SHAC recommends continuing human sexuality instruction to students in grades 6th-12th. The focus of the instruction will strongly promote abstinence as the best decision a student can make until marriage.

2. The Henrietta SHAC recommends that Henrietta ISD contract with the Relationships Under Construction program to provide abstinence education to the 6th – 12th grade students as scheduling permits.

3. The Henrietta SHAC recommends the continued use of the Great Body Shop program in the elementary school.

4. The Henrietta SHAC recommends the junior high and high school campuses continue to contract with Serenity House to provide the free programs offered including the cyberbullying, sexting, healthy dating (8th grade) and drug, alcohol and tobacco awareness education.

5. The Henrietta SHAC recommends that the junior high and high school campuses take advantage of any anti-bullying education programs provided through the Clay County Extension Agency.

6. The Henrietta SHAC recommends that the elementary school continue to take advantage of the clean hands and germ prevention presentation provided through the Clay County Extension Agency.

7. The Henrietta SHAC recommends offering health education for high school students as an option in their degree plan when scheduling permits.

8. The Henrietta ISD SHAC recommends the HES students to continue to engage in at least 135 minutes per school week of physical activity and to continue the same amount of time of physical education at HJH.

9. The Henrietta SHAC recommends the HISD continue to offer on-site Flu Vaccine and Wellness Laboratory Testing for staff and family members.

The report is submitted to the Henrietta ISD Board of Trustees on March 21, 2019.
