Family & Guardian Guide to Microsoft Teams

Everything your student needs to know to get started with online learning.

Dear families and guardians,

We hear you. Your involvement in your student's education is more important than ever. On top of juggling work and personal responsibilities and ensuring that your family stays safe and healthy, you're now assisting with remote learning. You have a lot on your plate.

We're here to help. This guide will cover how to set up and get started using Microsoft Teams so that your student can continue learning and connecting with their teacher and class. You'll learn why 75 million people around the world choose Microsoft Teams every day.

Ask us anything. If you have questions, comments, or suggestions about this guide, please fill out this form: aka.ms/FamilyGuideFeedback

Chapter 1

Get started with Teams

1. Sign into Teams online
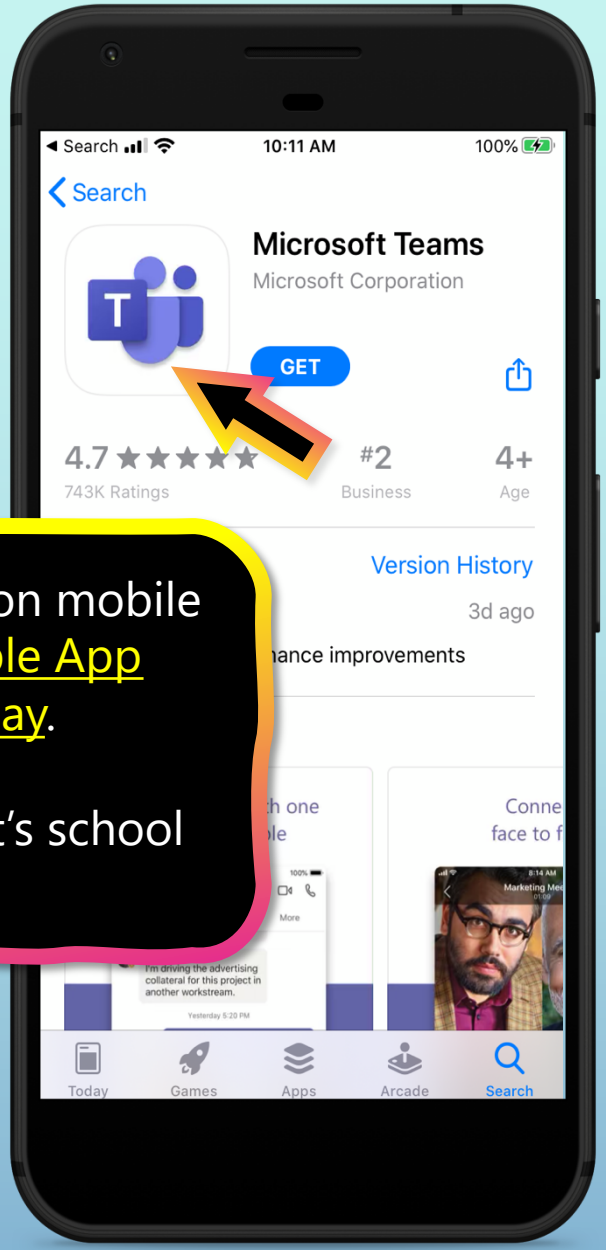
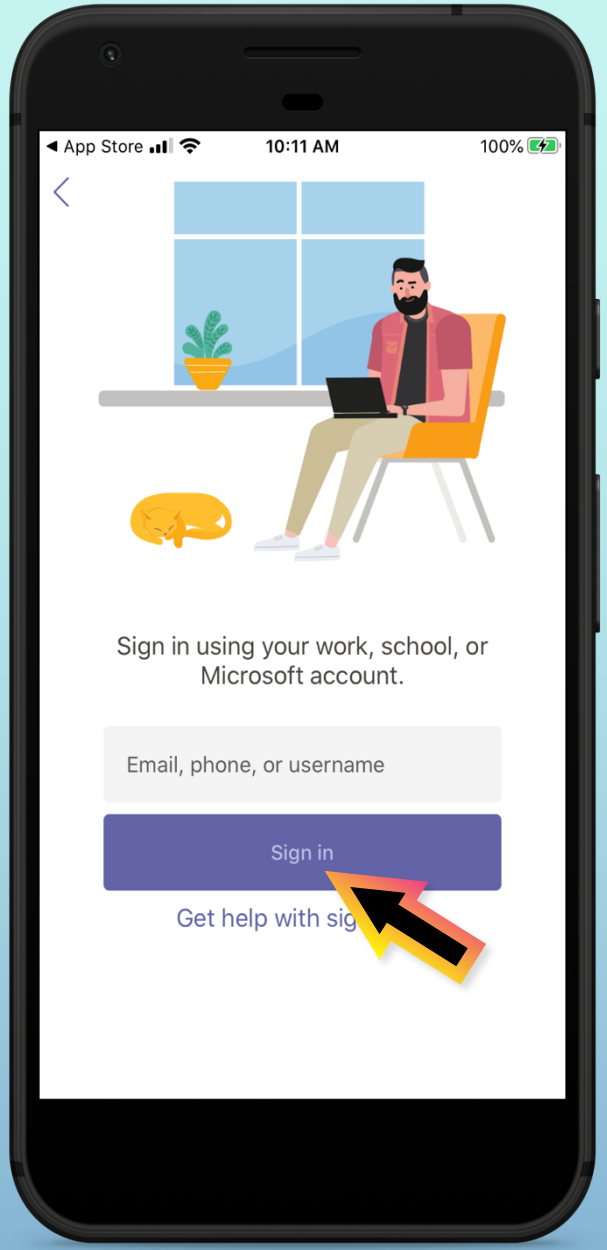
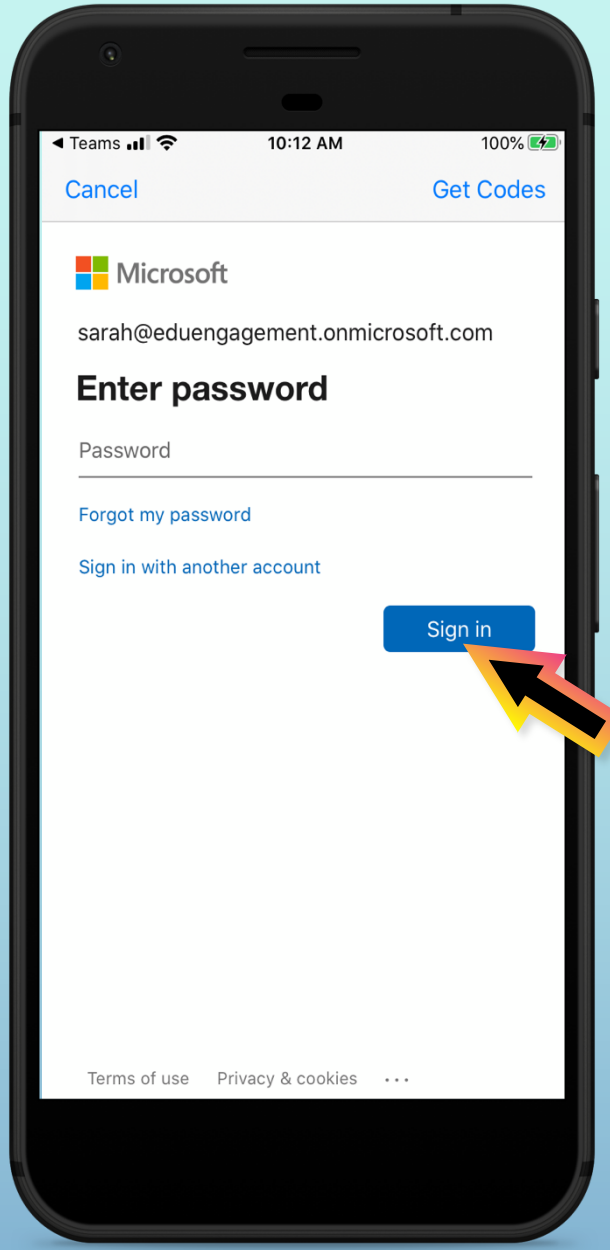
2. Download Teams on desktop
3. **Download Teams on mobile device**

Download Teams on mobile device via the Apple App Store or Google Play.

Enter your student's school or work account.



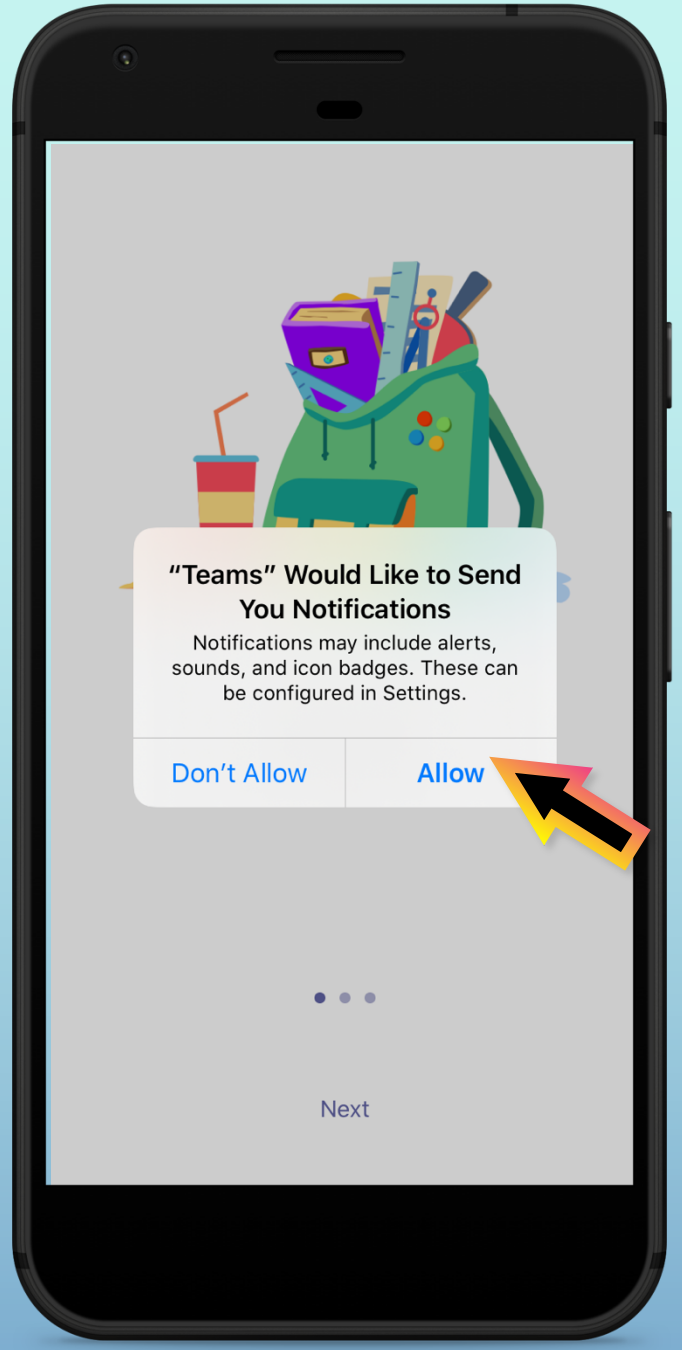




The app will ask you to allow notifications. Click **Allow**.

Notifications will send an alert to your mobile device when something important is going on in your student's class, like a class meeting, new assignments, or important announcement.

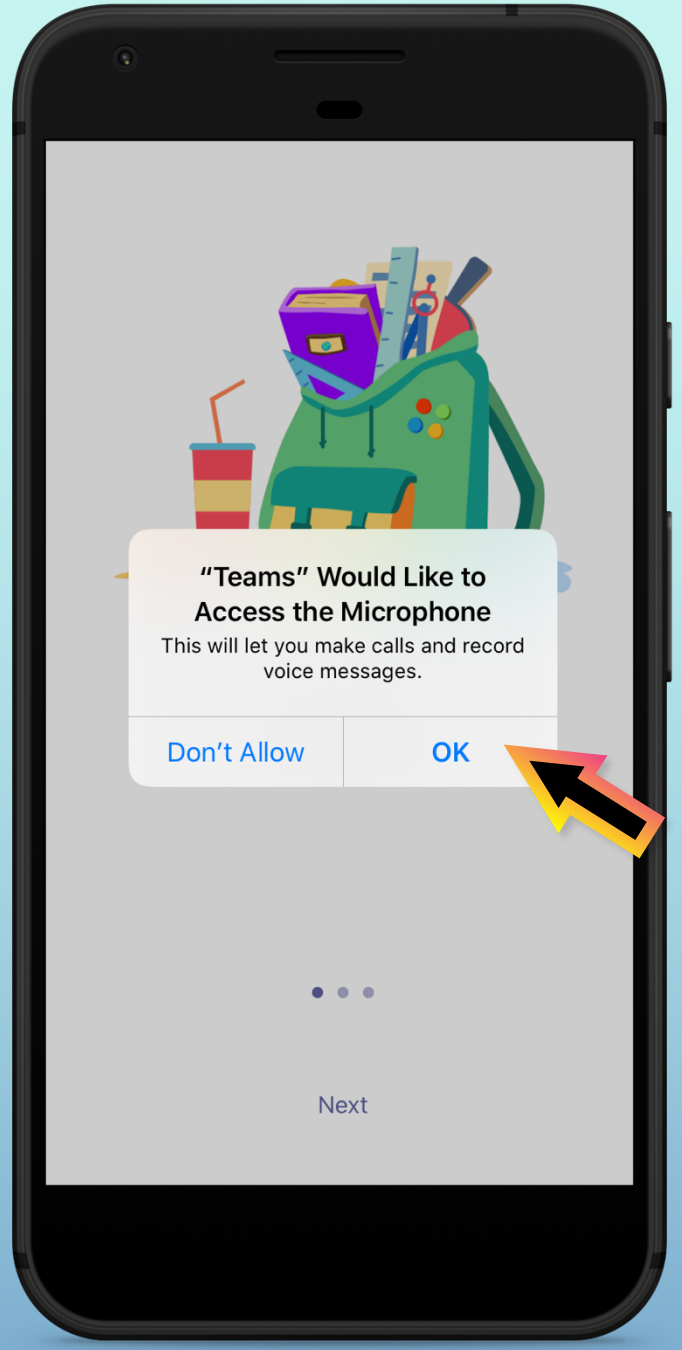
You can adjust this in **Settings**.



The app will also ask you to allow microphone access. Click **OK**.

Microphone access may enable your student to participate in class discussions with the mobile device.

You can adjust this in **Settings**.



Stay on top of the important stuff.

Next

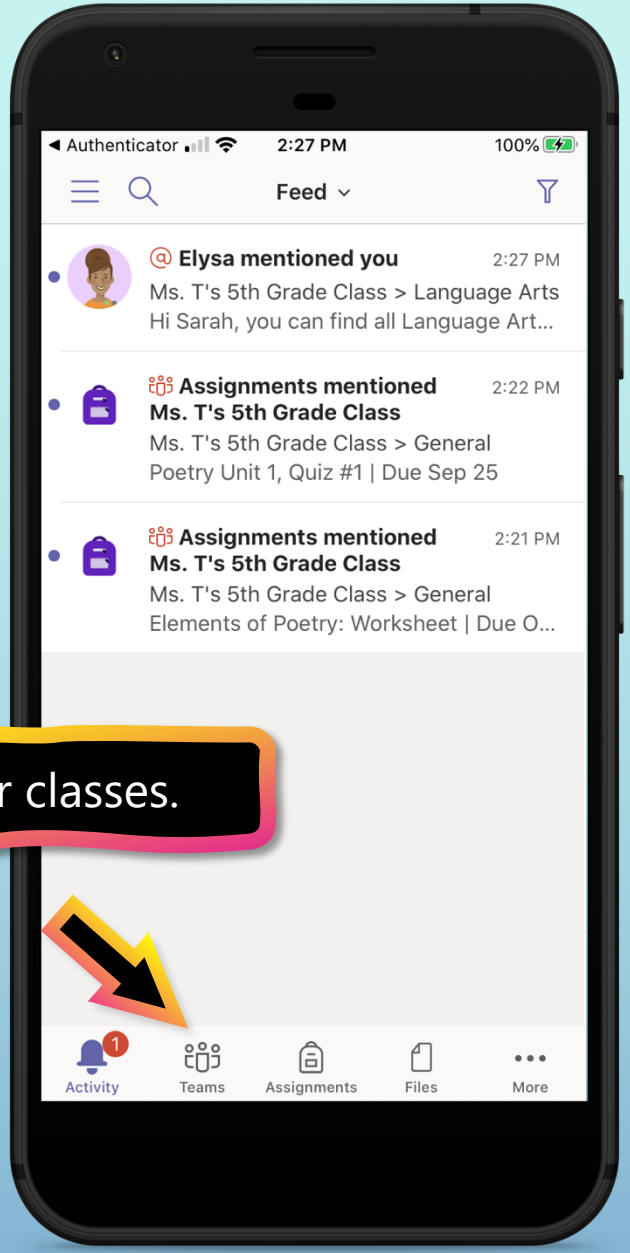
Get homework done anywhere.

Next

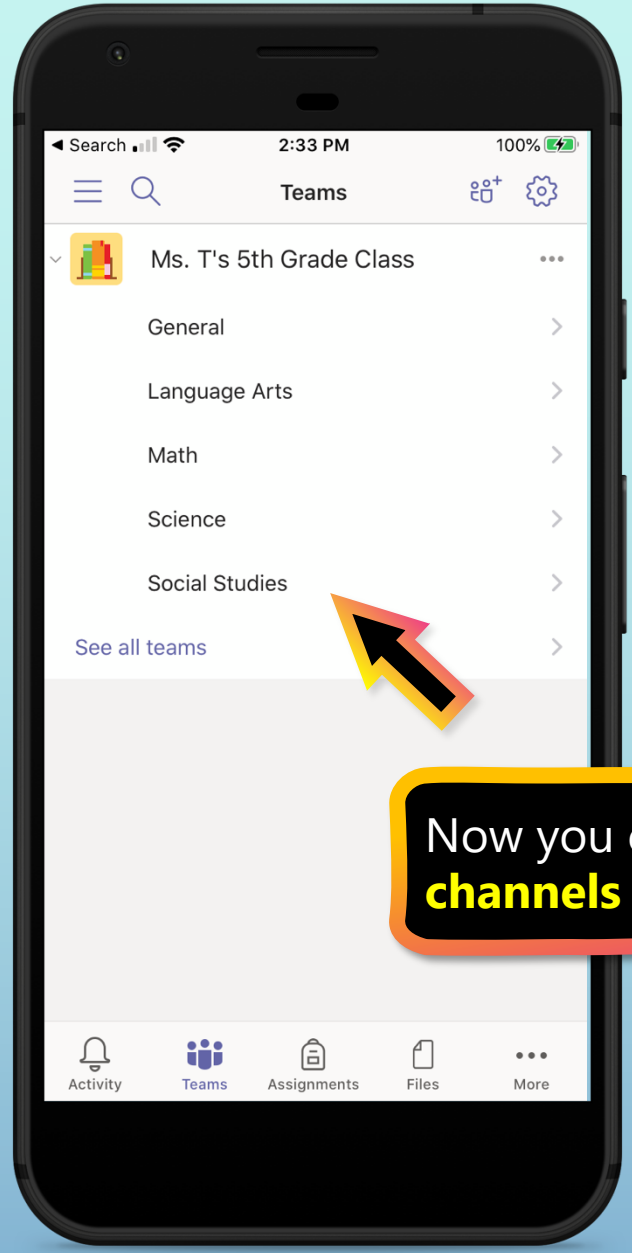
Speak up. Share out. Soar on.

Got it

Review welcome screens and click **Got it.**



Click on **Teams** to see your classes.



Now you can view the **channels** within your class.

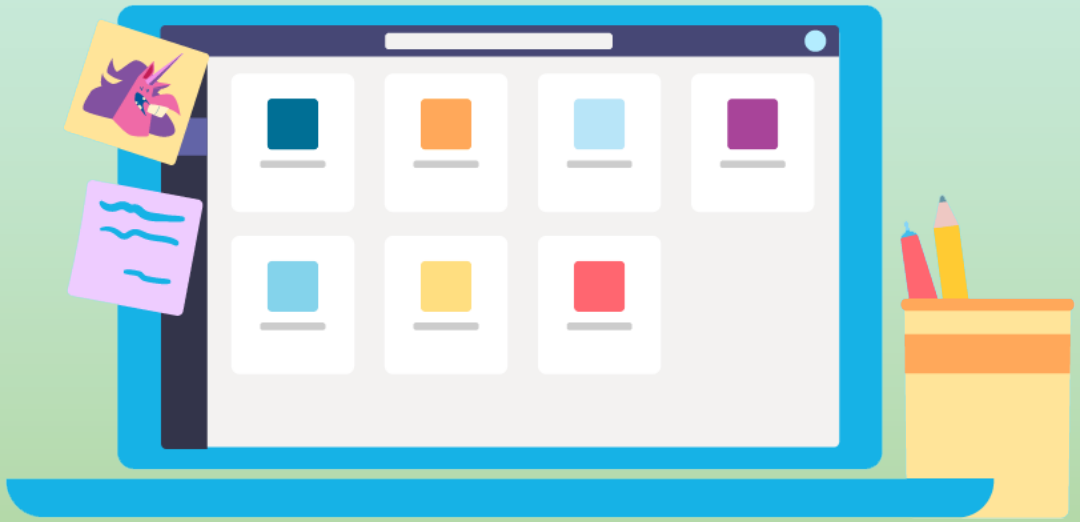
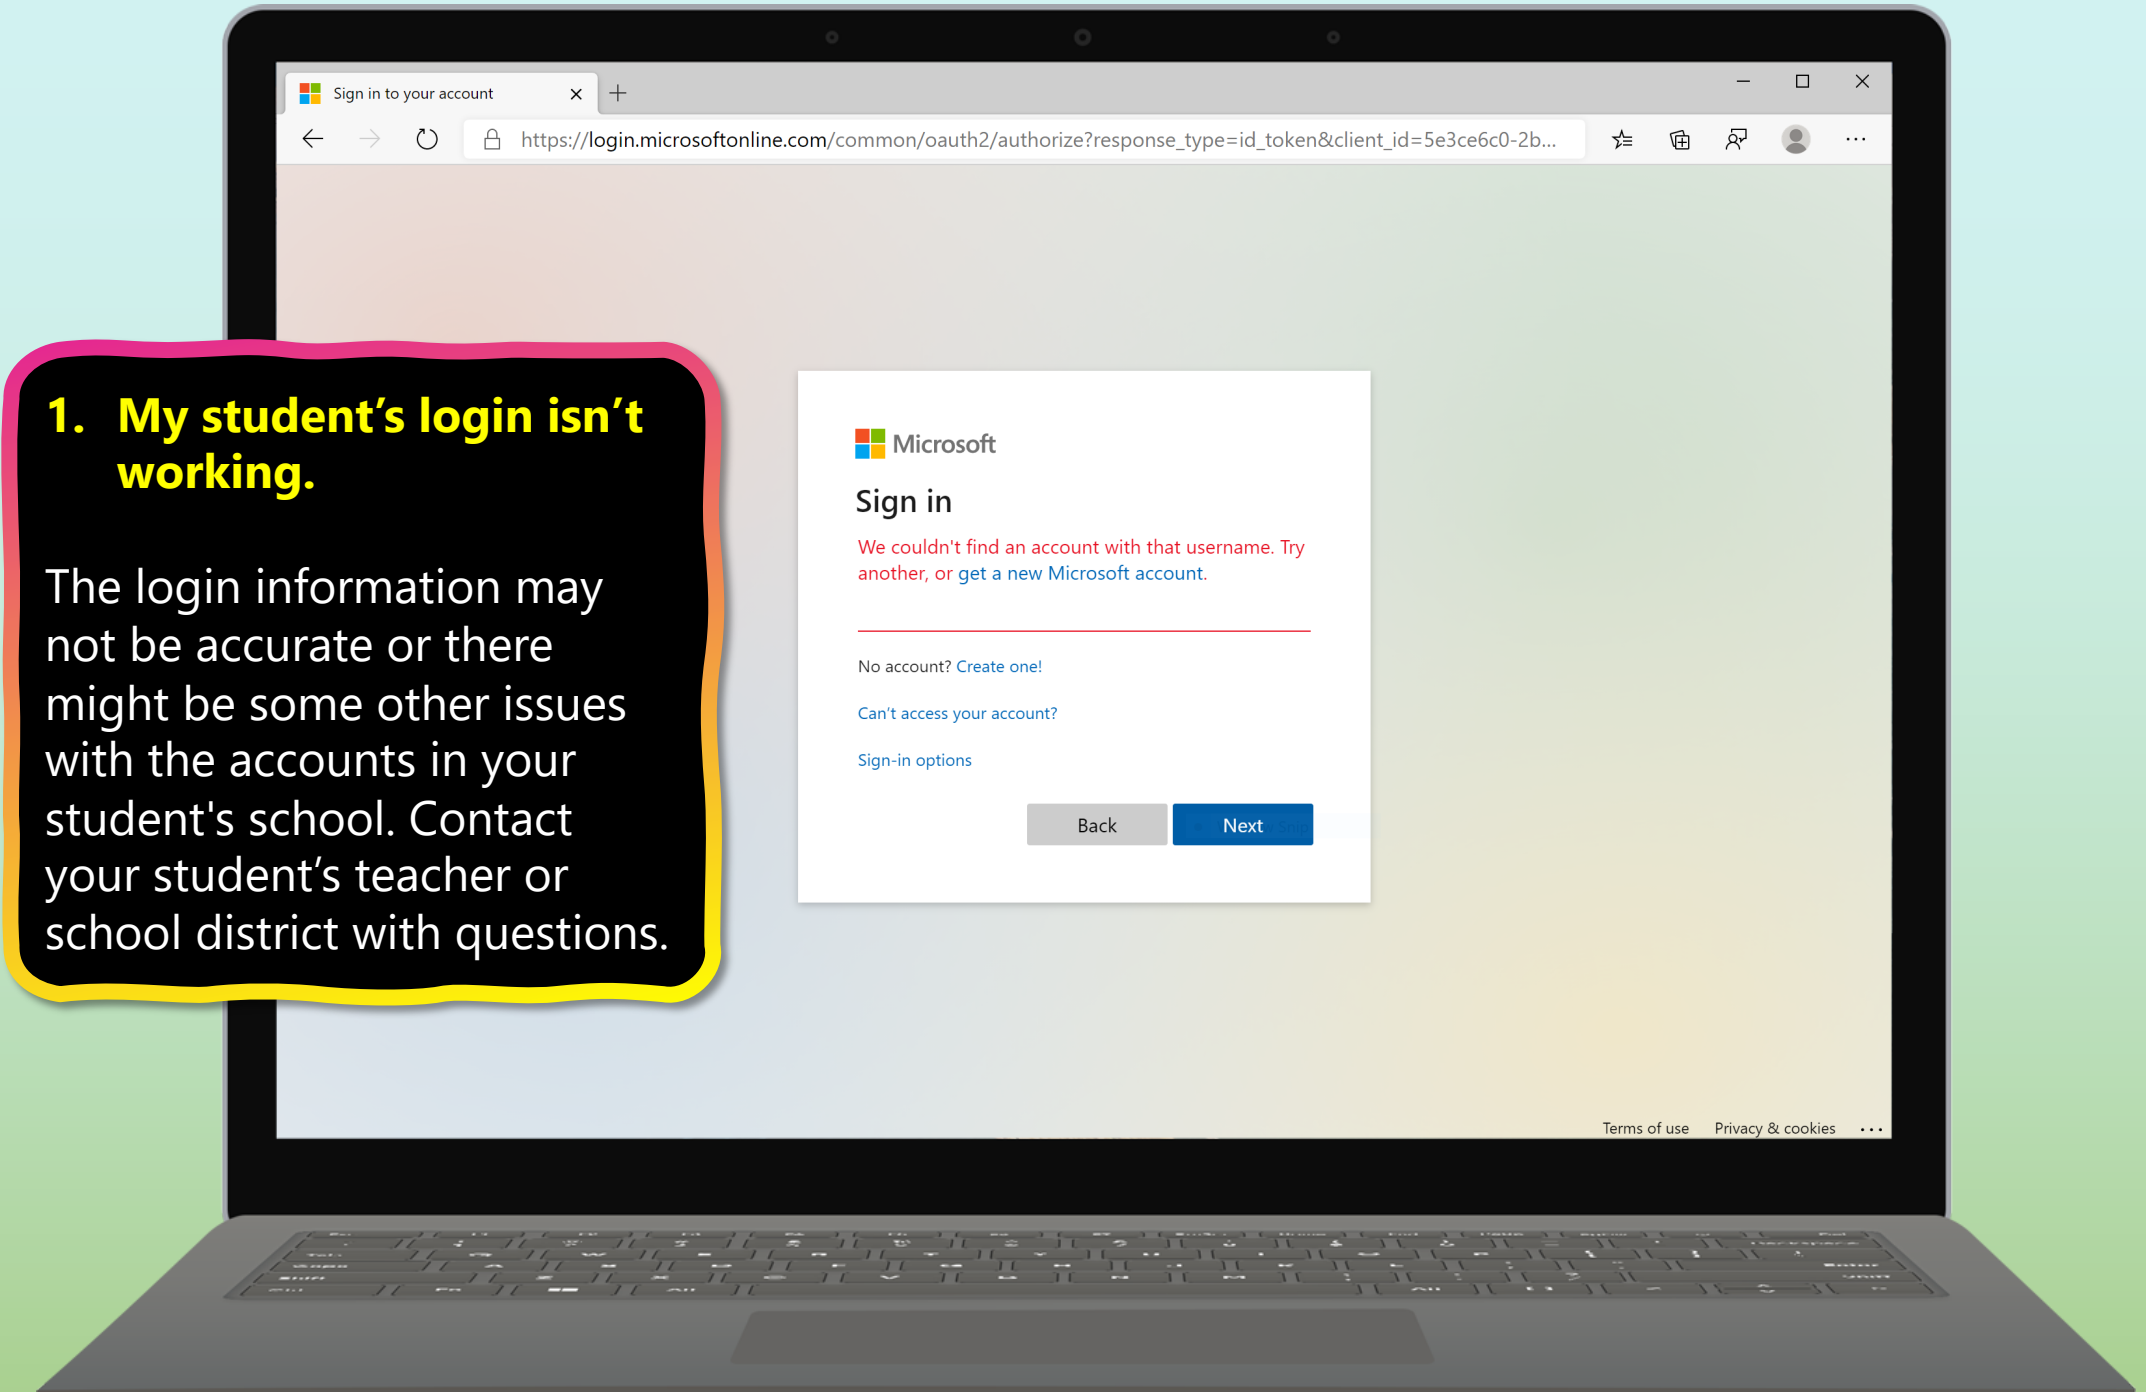
FAQ & Troubleshooting

1. My student's login isn't working.
2. I can't find my student's class during set-up.
3. My student's assignments are missing.
4. My student missed a class—what now?
5. What if I have more than one student using Teams on one device?
6. What do I do if we have low internet bandwidth?
7. Audio troubleshooting
8. Additional resources



1. My student's login isn't working.

The login information may not be accurate or there might be some other issues with the accounts in your student's school. Contact your student's teacher or school district with questions.



2. I can’t find my student’s class during set-up.

If you don’t see your student’s classes after you log in, the teacher may have invited you to join your class team with:

- A join code. From the Teams page, select **Join team** and enter the code.
- A unique link. Ask your student to check their email.

6. We are experiencing low internet bandwidth. What can we do?

You can still use Teams when internet bandwidth is low. Teams will work to reduce the amount of video streams automatically.

You can try limiting video usage during live class sessions. Have your student turn on the camera at the beginning of the session to say hello, or have your student only use the camera when they are speaking.
